

## CORPORATE SECURITY POLICY

Trinity Industries, Inc. is a multi-industry company that owns a variety of market-leading businesses which provide products and services to the industrial, energy, transportation and construction sectors. Our position as an industry leader requires that we manage our facilities in a secure manner.

Accordingly, it is the policy of Trinity Industries to protect the company's employees, assets, information, and reputation through a proactive, corporate-wide commitment to security designed to detect, prevent, and mitigate security related risks. In so doing, we will adhere to all applicable state regulations and laws; actively engage our employees, our customers and the communities in which we operate; and continuously improve our procedures, processes, and management systems to provide critical security for our facilities.
